

ELKHORN SWINGERS SQUARE AND ROUND DANCE NEWSLETTER & EVENTS

Dance Lessons

While it was with regret that we had to cancel our Thursday night square dance lessons this season, our single dedicated student will not have to go completely without. Casey was catching on so fast that it was unanimously agreed to include her in select squares on regular dance nights so that she can continue to learn the moves.

It does also look hopeful that we will have enough for a class in round dance on Sunday afternoons. So if you're not already attending, stop on up and welcome them.

Re-Gift to Our Silent Auction

Our first Saturday dance - also meeting night - will feature a mini-silent auction this month. This idea sprouted in an effort to make a few extra dollars for the club and have a little fun in the process. The way it will work is those wanting to should bring a little gift-wrapped something along with a short written description to tell a bit about it, without actually stating what it is. Then, throughout Saturday evening everyone can place bids on the mystery items that catch their eye until the auction closes. Around about the last tip or so the winning bidders will be announced and can then unwrap their newly acquired treasures for all to admire.

A Big Thank You

To the cherubs that lovingly adorned our hall... THANK YOU !
