

ELKHORN SWINGERS SQUARE AND ROUND DANCE NEWSLETTER & EVENTS

We need you... the club needs you... and even the very future of square & round dancing in Baker City needs you... to consider holding an office this upcoming year. March is nominations month, April is elections month, and May marks the beginning of the new reign.

Club Offices include:

President
Vice-President
Secretary
Treasurer
Historian
Delegate
Sheriff
Kitchen Chair

There are a couple of folks that have announced that while they will still be active members simply can not accept an office this next season; so, some new blood is desperately NEEDED. For descriptions and duties of any position(s) of interest, please visit with anyone that is serving in or has served in that capacity.

Silent Auction

If you would like to create a basket... wonderful; but if you just can't think of a theme, there will soon be some basket “starts” waiting for adoption! Should you rather contribute something else, other popular items include homemade baked goods and craft items.

Check In

Each year we need several volunteers to sit at the door, greet folks, and sign them in.

Different time slots are available for both Friday and Saturday evenings. See Judy if you or someone you know can devote a couple hours.

Door Prizes

We are gathering together one or two door prizes for Friday evening and about four for Saturday evening. If you have anything suitable that you'd like to donate, please contact Judy.

Raffles

It was brought up to consider offering a raffle as an additional fund raiser for this year's event. Ideas for an item to raffle included a nice basket of goodies or perhaps a gift certificate. Should anyone care to organize this or canvass a donor for the prize, please see Judy.

We will also be running our split-the-pot raffle again this year with Duane graciously volunteering to run it.

Lady Bug Resale

Regretfully, it is believed that Staack's has closed up shop, so it has been decided that the club will be its own vendor of dance apparel this year. With that we will need folks to help set up shop and help to man the store during fling. For stock, we are accepting donations of dance attire and accessories, of which all proceeds will go to the club and we are also accepting consignments, of which proceeds will be split with seller (20% to club/80% to seller). If you can help with the shop in any way or have items to include, please contact Esa or Bev.
